Good Morning:

First and foremost, Happy New Year to you and your families.

Second, congratulations on getting the SPG CD filed. I would like to have a call early next week to discuss the next steps for a CD with EPA for the public entities. I will also provide you with an update on the property acquisition. Due to the time constraints on deciding whether or not to intervene in the SPG CD, time is of the essence. Please let me know when it will be convenient for you all to talk.

Mike
